

CATALAN PYRENEES - SPAIN

LODGE OPERATED BY IKANTRAVEL FISHING TRIPS

At three-hours driving from the city of **Barcelona** you will find this genuine fishing gem: **The Catalan Pyrenees.**

The well-known **Noguera Pallaresa, Ribagorzana** and **Cardós** are some of the rivers we will fish during the trip, combining these ones with other freestone **creeks** and hidden alpine **mountain lakes** of outstanding beauty.

THE FISH

MEDITERRANEAN BROWN TROUT

Rivers and lakes on this region of the Pyrenees are inhabited by this **unique** lineage of brown trout that you only can find in southern France and northern Spain.

BROOK TROUT

Brooks were introduced in couple lakes at the beginning of the 50's. Those lakes are only accesible by AWD vehicles and located in a private access lands.

RAINBOW TROUT

Rainbow trouts in The Pyrenees is probably one of the most desired fish up here. Why? Because those wild rainbows can only be found in couple spots in the entire Pyrenees.

THE LODGE

Our lodge is located in the small and cozy village of **Àreu**, a gateway of the **Alt Pirineu Natural Parc**. This extensive protected area hosts high peaks, deep valleys and glacial lakes.

The lodge has various spaces depending on the size of the group.

Full-equipped apartments for small groups of (2-3 people) up to our bigger 6-people apartment.

All of them have a kitchen and a spacious living room with **views of the mountains**.

The main building offer our guests a local cuisine restaurant and a cozy "ANGLER'S SPACE" on where you can stay relaxed after dinner, tie flies or drink a whisky with your fishing buddies and guides.
